Thanksgiving ROLLS

Thanksgiving is our favorite holiday because it's all about great food, including that staple of life, BREAD. This year, we again have our light and buttery **VIRGINIA ROLL**, perfect and not-too-filling for the Thanksgiving table. The always popular fruited and seasoned rolls also return: try our tart and tangy **CRANBERRY ORANGE** or savory **OREGON HERB**. And for the traditionalists, don't worry- we still and always will offer our hearty 100% honey whole-wheat rolls. These freshly handmade rolls have a delicious way of bringing tradition and amazing flavor to your dinner table, and double as great bread for leftover turkey sandwiches. (Warm rolls in 350-degree oven on baking sheets for 10-12 minutes.)
